

PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

U.S. MINORITY CHAMBER OF COMMERCE ANNOUNCES THE DONOR'S WORLD SUMMIT DC 2026

"How to Do Business with Philanthropy" — November 16–17, 2026, Washington, D.C.

Washington, D.C. — September 30, 2026. — The U.S. Minority Chamber of Commerce announces **The Donors World Summit DC 2026**, a two-day business and philanthropic resource development event taking place **November 16–17, 2026, in Washington, D.C.**

Designed around practical business intelligence rather than academic lectures, the Summit will focus on **how organizations can effectively connect with philanthropic institutions and access grants, contracts, resources, programs, partnerships, and other opportunities** available through the North American philanthropic and business ecosystem.

Under the central theme **"How to Do Business with Philanthropy,"** the Summit will provide participants with practical information on **how the process works, whom to approach, when to apply, where opportunities can be found, and how to develop a strong community plan capable of presenting an organization's mission, objectives, and impact effectively.**

"I will personally present a practical approach to developing a winning community plan and understanding how organizations can position themselves to seek funding and resources," said **Doug Mayorga, CEO and President of the U.S. Minority Chamber of Commerce.**

The Donors World Summit DC 2026 will feature a focused program including:

- **12 business and philanthropic forums**
- **One-on-one meetings** with philanthropic and foundation leaders

- Opportunities to connect with representatives of **multilateral agencies**
- Business and institutional networking with leading U.S. companies
- **Exhibitions and organizational presentations**
- **Networking receptions**
- Practical sessions focused on grants, contracts, partnerships, resources, and community development programs
- Guidance on preparing and presenting effective **community plans and funding proposals**

The event is designed as a **private, invitation-only gathering** for selected **nonprofit organizations, municipalities, government contractors and subcontractors, business leaders, professionals, and organizations working in community and economic development.**

The objective is to create a practical environment where participants can better understand the philanthropic ecosystem and develop relationships that may lead to future **funding, partnerships, contracts, programs, and community development opportunities.**

ABOUT THE U.S. MINORITY CHAMBER OF COMMERCE

The **U.S. Minority Chamber of Commerce** works extensively through conferences, seminars, business programs, and strategic initiatives focused on **economic, entrepreneurial, human, and infrastructure development**, particularly for underserved and disadvantaged communities.

The Chamber also works with communities and organizations responding to **natural disasters and other emergencies**, helping connect business, philanthropic, institutional, and community resources with local needs.
